Outreach Coordinator  
Amy Dunphy

On Friday, July 19 Irving Animal Services invited shelters from the area to discuss plans for the upcoming nationwide event. Outreach Coordinator, Amy Dunphy, represented Garland during this meeting. Clear the Shelters takes place on Saturday, August 17. We are very excited to be a part of this event! Please come out to support this event!

On Tuesday, July 9 Garland Animal Services had a last minute transport take place! One of our partners from the north had a transport fall through, so they reached out to Garland Animal Services to see if we were interested. We jumped on board immediately! Over 20 dogs left that day for a journey to the pacific northwest! We love our pet transports!

## Way to Go Officer Luna!

A citizen found an injured owl stuck in a fishing net in north Garland. Officer Eddy Luna went to the scene and was able to take the owl into the care of Animal Services. Officer Luna notified Rodgers Wildlife Facility of the injured owl and they picked up the bird later that day.

Cricket Wireless reached out to Garland Animal Services about doing an adoption event at their location! We are always excited to partner up to do an adoption event! Cricket raffled off a Bluetooth speaker to anybody who adopts or makes a donation to the shelter! We ended the day with 4 dogs and 2 cats finding their forever home! Thank you Cricket for having us come out!

# SPCA

## Wellness Clinic

On Friday, July 5th SPCA of Texas came out for their second wellness clinic in Garland. This clinic took place at Embree Park behind the recreation center. The SPCA saw 45 pets that day and had 23 people sign up for spays and neuters. They were very happy with the results. The next clinic will be held at South Garland Library on August 13. Spread the word!
